Volta Health Overview

Volta Health is your comprehensive solution for university health and wellness, providing a seamless platform for students to manage their health, access care, and stay on top of important health-related tasks. Our platform integrates health records, insurance waiver verification, immunization compliance, mental health resources, and much more, tailored specifically for the unique needs of university communities.

Key Features:

- **Health Passport**: Consolidates essential health information in one place for easy access.

- **Intelligent Search**: Provides immediate, personalized, and actionable responses to health inquiries.

- **Care Navigation**: Guides students to the right care resources based on their needs.

- **Immunization Compliance**: Helps students track and meet immunization requirements effortlessly.

- **Mental Health Support**: Access to curated resources and a wellness coach to support student well-being (coming soon)!

Download the Volta Health App:

- **iOS App**: Volta Health for iOS (https://apps.apple.com/us/app/volta-health/id6547832204)

- **Android App**: Volta Health for Android (pending release)
